North Asia to PNG Service Enhancement – Every 10 days departure

Dear Clients

MBf Carpenters Shipping is pleased to announce the enhancement of North Asia to PNG service effective from M/V Mia Schulte 1808S and Soochow 1810S. Both services will interface each other giving a superb frequency of every 10 days to both Port Moresby and Lae ex main China's ports. In addition Nansha and Ningbo will be added in both services with transit time to Lae and Port Moresby at 8 and 14 days respectively. With this enhancement, MBf Carpenters Shipping offers a superb frequency of 37 sailings per annum connecting North Asia to PNG main ports.

MBf Carpenters Shipping is dedicated to serve North China market and with this service enhancement, the transit time and frequency offered to our clients will be the best in market.

Please feel free to contact your local representative if you need further clarification.

Yours Truly

Trade Management
